# Dedication

This year for the first time in the history of Wilcox the yearbook is being dedicated to two important individuals. The 1981 Promethean first recognizes Dennis LeBlanc, our very capable and active Dean of Students.

Mr. LeBlanc graduated from Santa Clara High School in 1961. While in high school he participated in baseball, basketball, and was the student body president. Mr. LeBlanc began teaching here at Wilcox in 1966 shortly after receiving his teaching credential from San Jose State University. For many years he taught in the Social Studies Department and in 1977 became the Dean of Students. In addition to his academic and administrative pursuits, Mr. LeBlanc, affectionately known as "Chicken-Legs LeBlanc," has been an active coach working with the junior varsity basketball team for many years and more recently with the varsity. He has also been the advisor to many classes and clubs including the Letterman's Club and the Latino-Chicano Club.

When he is not involved with his many activities here at Wilcox, he likes to spend time with his wife Brenda and their two children, Mike and Randy, at their cabin where he enjoys fishing, reading, and just plain relaxing.

Mr. LeBlanc, the students of Wilcox High School thank you for your years of dedicated service and wish you the very best in the years ahead.

# Dedication

If there is one person most identified with school spirit at Wilcox High School that person would have to be Kathleen MacDonald, to whom this yearbook is also dedicated. Mrs. MacDonald has been an enthusiastic advisor to the Rally Council since 1975 and a teacher in the Business Department since 1964.

Mrs. MacDonald is a native Santa Claran graduating from Santa Clara High School in 1960 and later receiving her Masters Degree from San Jose State University. While teaching in the Business Department, she helped develop an excellent telephone operators' program in cooperation with Pacific Telephone. As Rally Council advisor she has been a hardworking and conscientious advisor to the cheerleaders, song girls, and letter girls accompanying them not only to the many football and basketball games but also to summer camp training sessions as well. It would be impossible to count the number of extra hours Mrs. MacDonald has given to these activities. In addition to her many school responsibilities Mrs. MacDonald also holds a high state office in the order of the Eastern Star.

Because you have given so much of yourself to Wilcox, Mrs. MacDonald, we dedicate this yearbook to you.

This year the medical careers club, with the help of spirited classes, brought in 5226 cans that were distributed between three churches in Santa Clara.

A special thanks goes to Tim Archer, Amy Kanawyer, Lori Bacoccini, Debbie Torrisi, Lisa Pratten, Kim Martin, Chris Fowler, and Mrs. Julian, for all the hard work that went into separating all the cans.

The canned food drive was an especially big success, thanks to Mr. Wherity and Mr. Williams, for each of their second period classes brought in over 2000 cans each.

# Drive

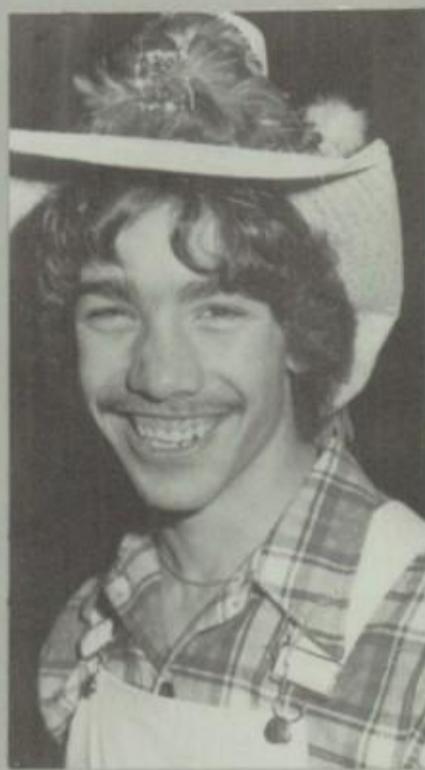

Congratulations to the Medical Careers club for the super job done on the blood drive this year. Sixty-eight people presented themselves to donate, seven people were deferred, leaving a grand total of sixty-one donations. Of these donors, forty-one were first time donors.

A special thanks goes to all the teachers and faculty members who gave up their spare time to come in and donate and to Mr. Peterson's Physiology class.

A very special thanks goes to Tim Archer, Mrs. Julian, and all of the volunteers that worked in the Donor Rooms, Canteens, Registration Tables, Sealers, Greeters, Table Tables, Escorts, and all of the nurses from the American Red Cross, without whom, the blood drive could not have been possible.

# DECISION MAKERS

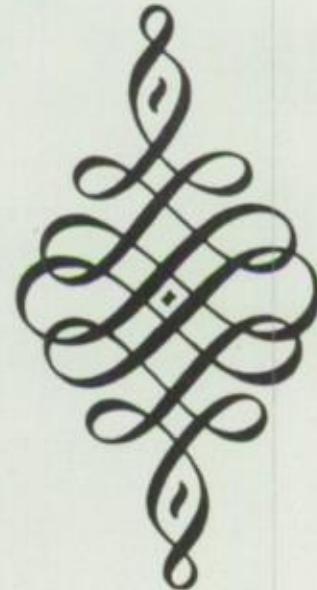

Rudy Gatti: Superintendant

This year the Board of Education was faced with a difficult decision. Because of declining enrollment, it was necessary to convert two high schools into junior high 7-9, and leave two high schools as senior high schools, 10-12.

As everyone knew, all were suited as either. However, it was decided that Wilcox and Buchser were over-rated as junior highs. Therefore they were retained as senior highs.

This was not an easily made decision and there was extensive study conducted. Not everyone was pleased, but not everyone can be pleased. We know Wilcox and Peterson will work together to make their new school work, and likewise with Santa Clara and Buchser.

Thank you, Board, for your time and effort in making a decision worthwhile to *all* the students.

Board of Education: Standing (L-R) Eleanor Goldfinger, Al Souza, Maryanne Brooks, Larry Furlow.  
Sitting (L-R) Delores Clari, Lynne Reichhold (President), Toshiye Itatani.

# Mr. Rudy Buchser

Mr. Buchser has been here as principal for twenty years. Through all these years he has seen and contributed to the growth of Wilcox High School. He has been especially concerned with providing the young people of this community with the basic education they will need in later life. For this he has gained the respect of students, parents, and faculty alike.

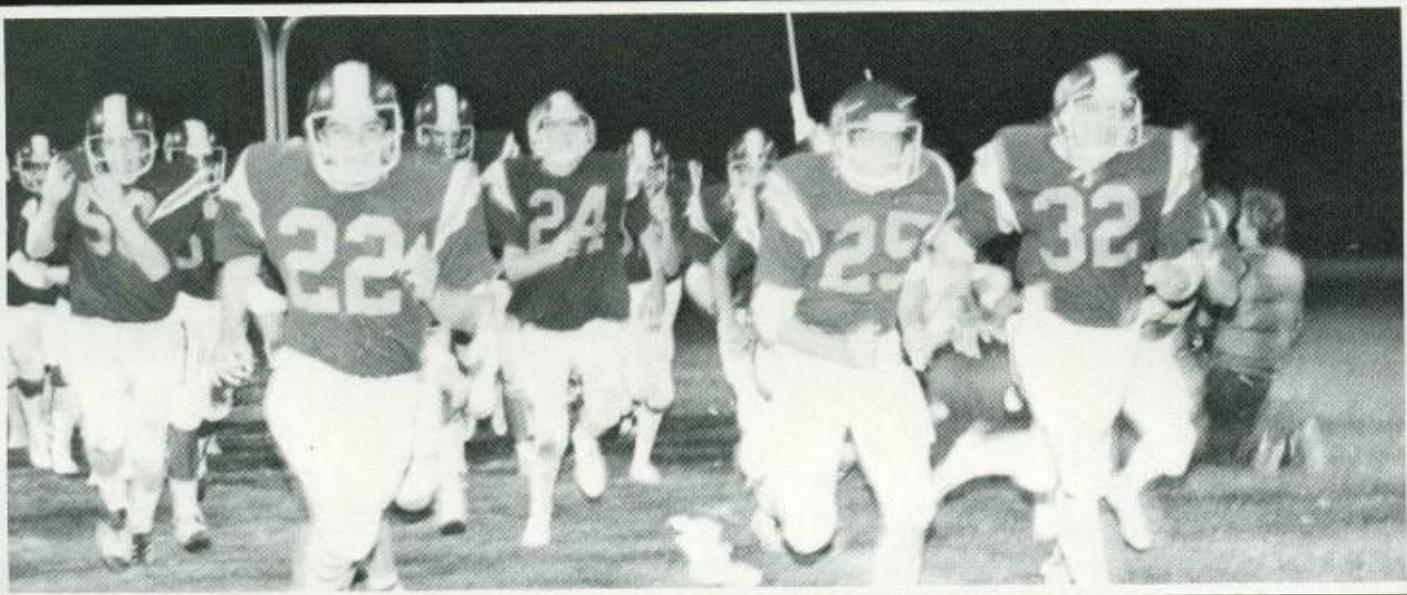

As a member of the Dads and Grads and the advisor to the Boys Block W Club, he has also contributed a great deal to the extra-curricular activities here at Wilcox. This is Mr. Buchser's last year at Wilcox. Next year he will be the Director of Adult Education/Vocational Education at the district level. We wish him the best of luck.

This year the Girl's Varsity Volleyball Team played more games than ever before and had the most overall victories. The final league record was 3 wins and 5 losses and the final season record was 7 wins and 6 losses — a winning season. The season ended with 2 outstanding victories over Bucsher and Palo Alto. The Varsity Volleyball Team also participated in the Northern California Invitational Tourney.

The Girl's Junior Varsity Volleyball Team led by Coach Hirase ended the season with a record of 6 wins and 8 losses with a league record of 2 wins and 6 losses. Despite a somewhat disappointing season, the girls on the team gained considerable experience that will serve them in good stead next year.

The Girl's Tennis Team returned to Wilcox High School in 1980. They were small, but had enthusiasm and a willingness to learn more. Highlights include close matches with Buchser and Santa Clara. All players won games during the season and some won sets against their individual opponents. All in all, they all did a super job.

Girls Varsity Basketball has attained a new high this year. Their 1980-81 season stands alone as the single best basketball season in Wilcox history. Their record has been accomplished through hard work, dedication, and team work.

This group of women athletes has truly done a great job!

# Basketball

The Junior Varsity Girls Basketball Team was one of the most dedicated groups on the Wilcox campus. Although the team was not as tall as most of its opponents, through the hard work and mastering of the fundamentals, they were able to defeat teams with greater size. The team received balanced efforts from all of the girls and these girls will be able to help the varsity next year.

Girls Varsity Swimming Standing: Louise Wasielewski, Jody Klaiber, Coach Hills, Kathy Bovaird Sitting: Johnelle Sellaro, Trish Serille

Participating on any swimming team is a grueling endeavor requiring skill, endurance, dedication, and self-discipline. For the girls who are members of the Wilcox swim team there is one additional requirement- a sense of humor. Both the Frosh-Soph and Varsity teams were very small this year making a winning season unattainable because they competed against teams 5 to 10 times larger than their own.

The Wilcox girls extended themselves in as many events as possible. The Varsity team succeeded in moving up two places in the league standings. The Varsity team finished in sixth place with our diver, Kathy Bovaird, making it to Regionals and two swimmers, Johnelle Sellaro and Louise Wasielewski, competing in C.C.S.

# Water Polo

The Wilcox Water Polo team completed one of the finest seasons in the school's history. The Warriors finished third in league play, and qualified for the CCS Championship. # Basketball

The 1980-81 Team was a blend of youth and experience. Their trademark was hustle and quickness, and they were a strong force in the SCVAL all season. They were led by Senior and Captain John Hendy and Sophomore John Sladkey. Rob Paolinetti and Fernando Aguilar were the leading scorers on the team throughout the year. Wilcox can truly be proud of its team that ended the season with a 13-10 overall record in league competition.

# 80-81

This year's Fresh-Soph basketball team began the season by facing two major opponents: youth and inexperience. Struggling through a difficult practice schedule the young Warriors efforts were often stopped by older and taller opponents. It was not until mid December in a win over rival Buchser, that a victory was claimed.

The team continued to improve and finished the season with a 3-9 record in league play and a 4-17 record in overall play.

The Varsity Soccer Team suffered a disappointing season again this year. Hurt by injuries and lack of solid participation, the Varsity ended with a record of 1-6-1. The season included a victory over Santa Clara and a tie with Mountain View. Outstanding players were Joe Mello, Steve Hamlin, and Paul Pashby.

## Soph/Frosh Soccer

The Junior Varsity Soccer Team had a better season this year than last with a record of 4-4-0. The JV team defeated Mountain View, Peterson, Santa Clara, and stunned Palo Alto. The team worked hard together, showed great teamwork on the field, and responded well to good coaching. Outstanding players were Jeff Bauer, Chuck Conrad, and Ritchy Kraft.

The wrestling team this year was a relatively young and small squad. We were especially lacking in our upper weight brackets, which was a major reason why we didn't end the season with a good team record. We did have some outstanding performances by Dan Vallotton (167 lbs.) and Rich Estrella (119 lbs.). Also freshman, Dave Vallotton (156 lbs.) made a good showing until injured mid-way through the season.

In the infield Dave DiBenedetto and Rob Franco played at 1st base, Frank Payton at 2nd, Ken Salazar at shortstop, and Dave Ledesma and Shane Richards at 3rd base. The outfield was covered by Manny Abreu, Terry Blackford, Ched Fowler, Scott Prange, Paul Renucci, and Shane Richards. A number of players performed at more than one position as the season progressed which genuinely contributed to team unity and any success that the Varsity enjoyed.

Coach Von Pinnon

This year's Varsity Baseball Team was a young but enthusiastic group of players. The Junior dominated team played well and worked hard to make the playoffs in pursuit of a championship in 1981. The pitching staff was made up of D.J. Salazar, Paul Edwards, Paul Renucci, and Rob Paolinetti. The catching chores were performed by Paul Edwards, Dave DiBenedetto, and Dave Ledesma.

The Wilcox Frosh-Soph Baseball Team, coached by Mr. Joe Ward, worked hard to have a successful season. With half of the squad returning from last year's team, the prospects seemed good for a winning season. The teams played a full season of twenty-two games in a very tough league. Outstanding players were Bruce Arola, pitcher and a hard hitting shortstop; Art Olmos who played several positions; Tony Hill, outstanding power hitter; and Larry Martinez, an up and coming freshman pitcher.

# Track Team

Standing, Top Row: Scott Minor, Todd Marsh, James Perkins, Bruce McPherson, Jose Lierve, Mark Loy, Mike Flores, Dave Loftus, Ed Fernandez, Eric Hawkins, Kurt Maclay, and Robert Marsh. Standing, Center Row: Coach Syth, Tony Fuentes, Dave Cantrelle, Ermitt Roberts, Matt Johnson, Troy Gibbs, Bill Cozzini, Tim Brown, Clay Clendenin, Greg Anderson, Edwil Antolin, Coach Sampson. Kneeling: Rick Graydon, Jeff Arcuri, Carita Valencia, Sue Pierce, Alexandra Lodding, Trish Serille, Janet Pau, Linda Cozzini, Cindy Silvas, Gil Silvas, Rod Rosare. Sitting: Diana Lucero, Johanne McRay, Ronda Winton, Delores Taddei, Lisa Hyatt, Tina Cerille, Doris Phillips.

The turnout for the track team this year was exceptional for Wilcox. This year's team showed a lot more potential than last year's. Everyone involved had high hopes that this year's squad would have a successful season and that many of the athletes would turn in outstanding individual performances. Even though the team was young, everyone was able to compete well against other more experienced teams in the area.

## On The Run

# Golf, Swimming, Tennis

After a year without a golf team Coach Sheets had a number of young golfers try out for this year's team. The eleven golfers on the team were led by returning veterans Ron Reinartz, Chris De Silva, and Tom Tanquary. The team practices every day at Fairway Glen Golf Course and this year worked hard toward the league championship playoffs in May.

Standing: Ronnie Hawkins, Coach Sheets, Tim Klaiber, Chris DeSilva, Ron Reinartz, Paul Coiner, and Mark Reidmiller. Kneeling: Tom Tanquary, Jerry Scott, Scott Bertken, Trace McMahon

The 1981 swim season was a promising one as the Warriors has six returning Lettermen. Seniors Brent Humphrey, Andy Pashby and Ray Scheaffer were contenders for league titles. Other standouts included Dave Roberts and Paul Pashby. The Aquamen looked forward to the Child Invitational as they hoped to capture the team title.

Standing: Coach Vince Sutton, Dave Roberts, Brent Humphrey, Joe Mello, Andy Pashby, Ray Scheaffer. Kneeling: Dave Fosan, Rich Nieman, Jerry Owens, Paul Pashby.

The Boys Tennis Team of '81 is a young team but full of enthusiasm and a willingness to learn and have fun. Although they're small, they began their season with a winning start against Lincoln High School. The boys continued to improve, gain confidence, and enjoy the "greatest carry-out sport" in California. Next year you will see and hear even more from our tennis team!

## G.A.A. Softball

The Girls Varsity Softball Team played a total of twenty games this season. The team looked strong and had a good chance for the championship at the beginning of the season. Leading the team were five returning and starting veteran players including Terri Hernandez, Sandy Fairfield, Kelly Makela, and Kelly Camp.

Standing: Bob Northern (Ass't coach), Cathy Makela, Tracy Parks, Kelly Makela, Kelly Camp, Tricia Furtado, Sandy Fairfields, Terri Hernandez, Hank Wallis (coach). Kneeling: Mary Kelly, Kristy Bogan, Laura Lang, Julie Fox, Aline Horibe.

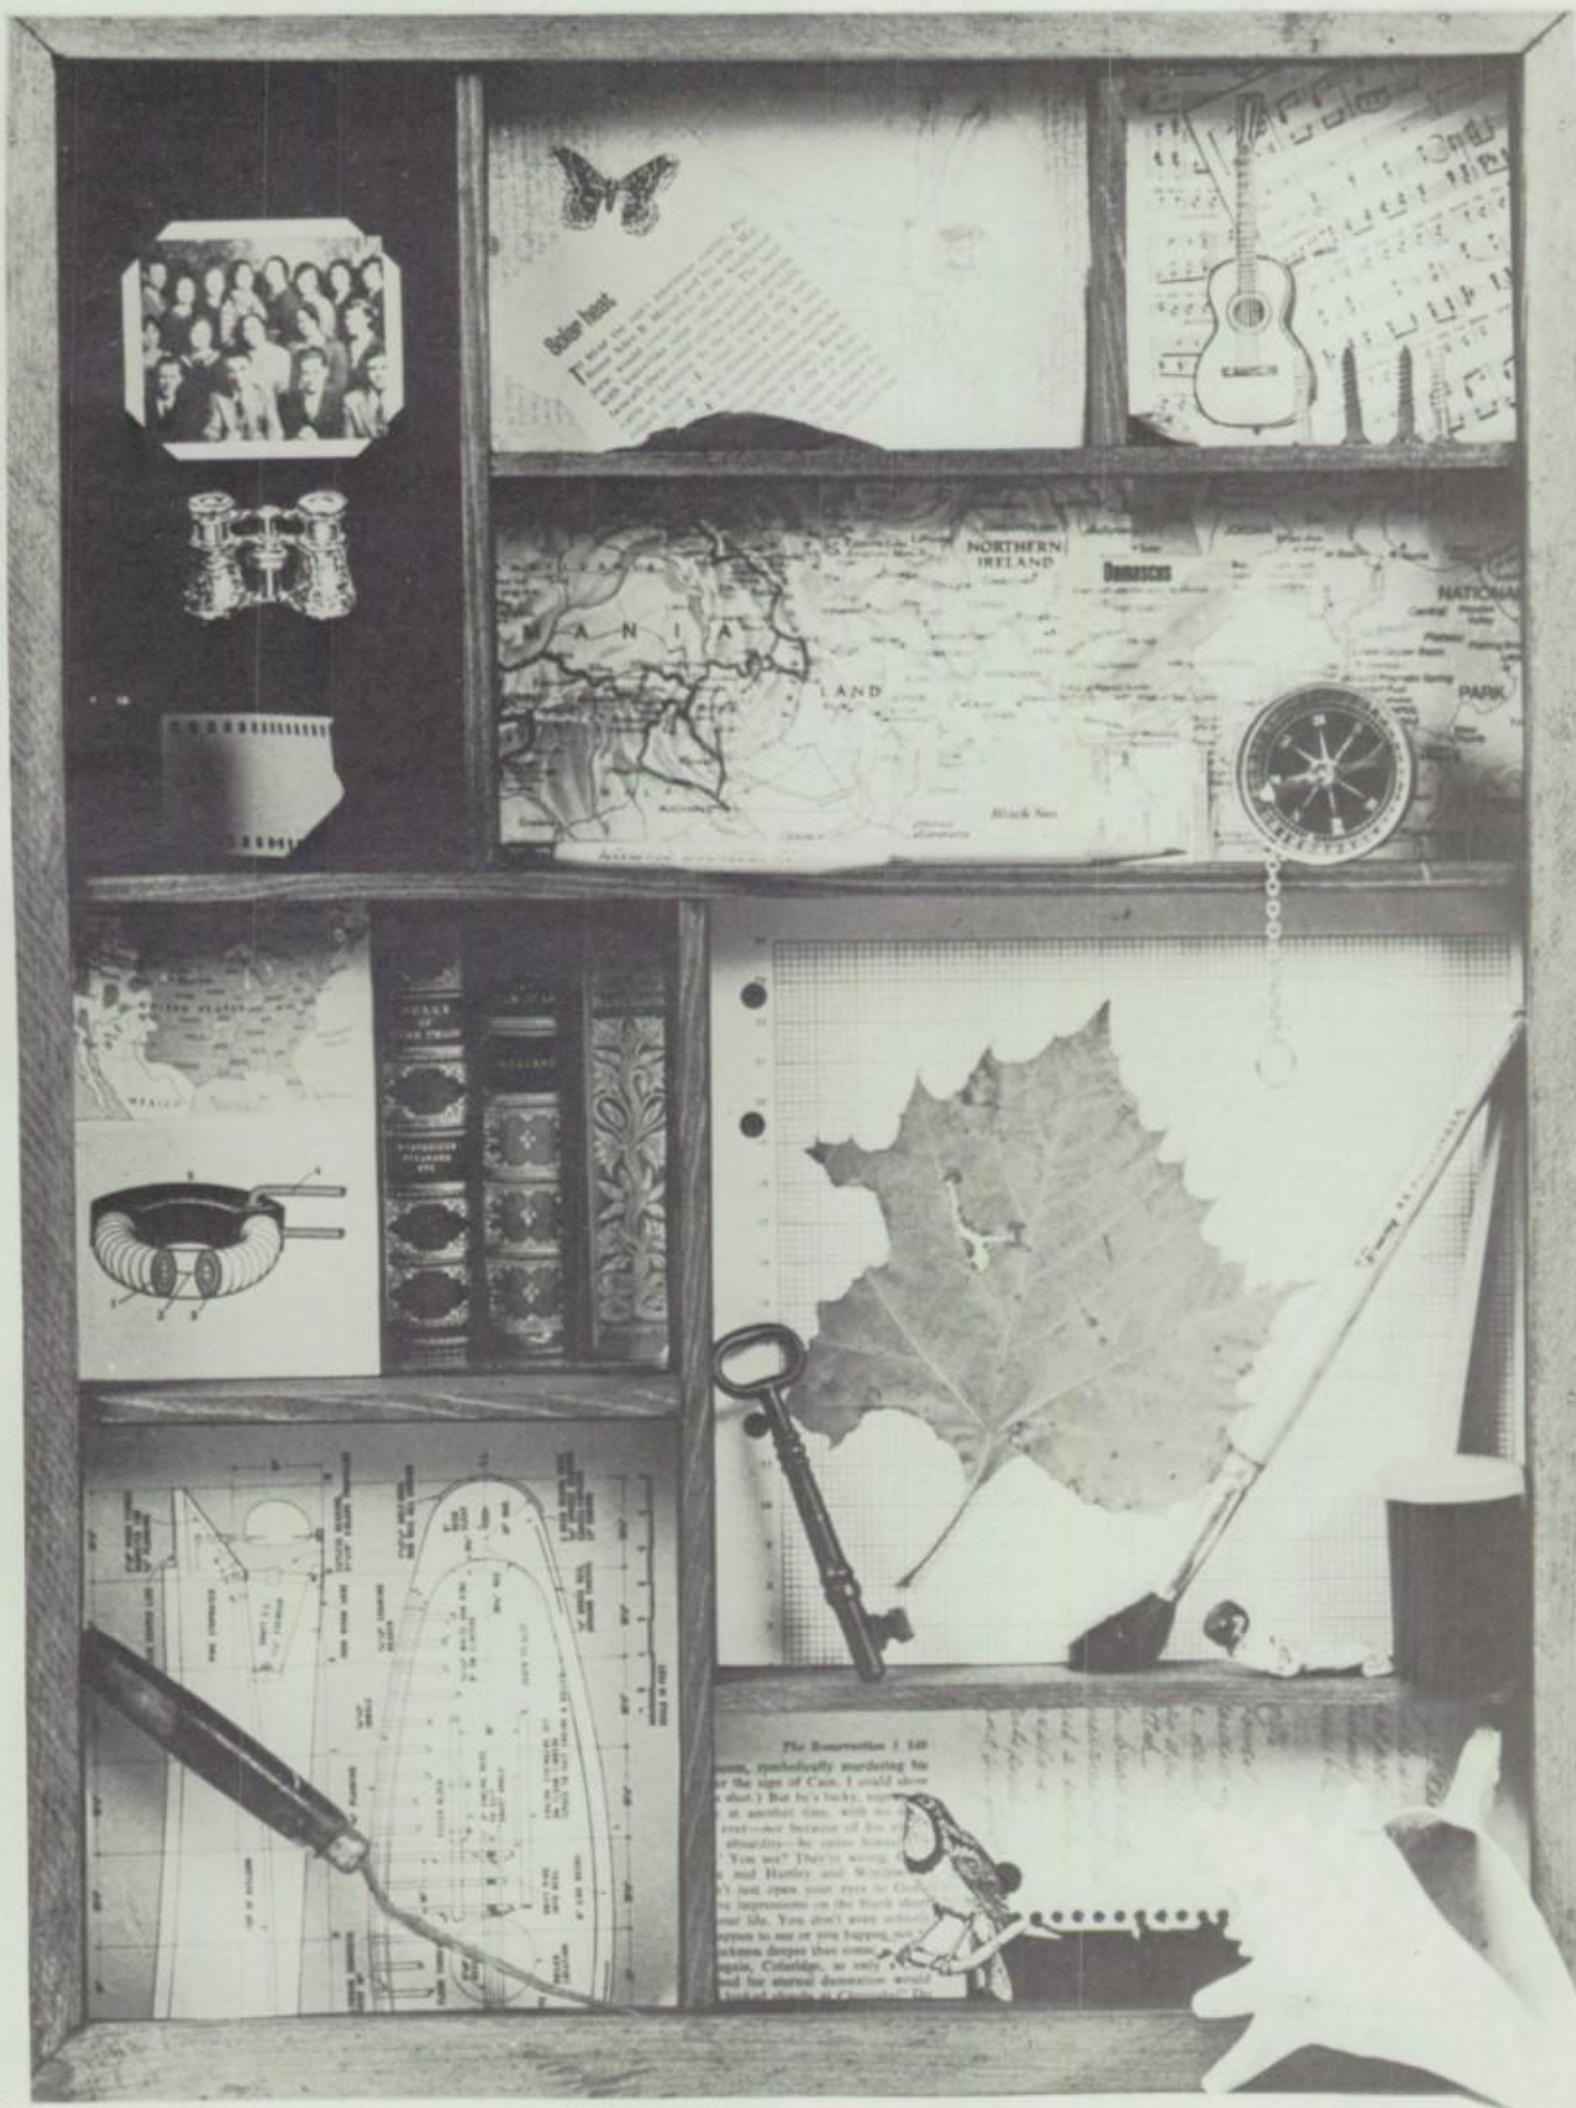

The Junior Varsity Girls Softball Team played a total of eighteen games this year and started out undefeated at the beginning of the season. This team, which also has a good chance for championship, has six team members returning from last year. Outstanding players were Julie Mello pitching, Irene Serrano, a strong hitter, and Paula Folawn at shortstop.

The People Who Put

HELENE MALABED-CLASSES

The Publications class is made up of eleven students who meet during sixth period every day to plan and put together the Wilcox High School's yearbook, the Promethean. Prior to their entry into the class the students must fill out a special application in order to be approved for enrollment in the class. Each Student takes on the responsibility of working on one or

two parts of the yearbook. This responsibility involves making sure that the pictures are taken, layout is designed, and that copy is received. Every page must be checked and double checked to make sure that the right names go with the right faces.

In addition to the work they do on the yearbook, the staff also takes one year end trip to a place of cultural and historic interest like San Francisco or Monterey.

# A Final Note . . .

The old is ending and the new is beginning. This was a special year for everybody because this is the last year Wilcox High School will be a four year school. Over the years we have seen Wilcox grow physically with the addition of a lighted football field, a new auxiliary gymnasium, and a remodeled library. More importantly we have seen Wilcox grow and then decline in enrollment to a point where it was necessary to restructure the high schools. And so after twenty years of operation the Santa Clara Board of Education made the decision to combine Wilcox and Peterson High Schools into a senior high school with 10th, 11th, and 12th grades. Next year will see many changes in faculty and programs. We on the yearbook staff want to wish the best of luck to everyone who will be here at the new Wilcox next year.

The publication of the yearbook this year, like any other year, involved a great deal of work by everyone on the staff. Many students may believe that in June the yearbook just magically "drops from the sky." this, of course, is not true. Planning for the yearbook begins before school begins in September with meetings with

the yearbook representatives, seminars, and planning sessions to begin deciding on the theme, the use of color photography, the length, and staff responsibilities. Even though many hours are spent checking and rechecking, some errors may still get in the yearbook. (Of course, we slipped in a few mistakes on purpose just to keep you busy looking for them.)

As editor I would personally like to thank my fellow staff members who worked so hard this year. Without everyone's cooperation this year's **Promethean** would not have been possible. I would also like to thank Mr. J. R. Myers, the Josten Yearbook representative, and Mr. Stephen Smallwood, who took over as advisor this year. With everybody working hard this year we made all of our deadlines on time which is a real accomplishment.

In closing I would like to point out that our theme for this year's yearbook was "Images." We hope some day you will be able to look back through the Images in the **Promethean** and remember the good times, and even the bad times, that helped all of us grow up.
